21 NCAC 22F .0203 CONTENT CATEGORIES

- (a) Sessions assigned to Category 1, as described in this Rule, shall satisfy the continuing education requirement for license renewal. Any session not assigned to Category 1 shall not be approved to satisfy the continuing education requirement for license renewal.
- (b) Category 1 is for amplification, hearing rehabilitation, hearing loss, regulations, and consumer-related issues, and shall be assigned to continuing education sessions that are comprised of the following topics:
- (1) hearing aid technology: instrument circuitry and acoustic performance data;
 - (2) earmold or shell coupling systems: design, selection, modifications, and ear impressions;
 - (3) hearing aid selection procedures, verification, fitting and adjustment techniques, and servicing or repairs;
 - (4) aural rehabilitation using amplification: auditory training, hearing aid orientation and counseling techniques, and hearing aid validation techniques;
 - (5) biological, physical, and behavioral bases underlying normal and pathological hearing processes;
 - (6) detection, assessment, or monitoring of hearing impairment (such as measurement techniques and test interpretation), including intraoperative monitoring;
 - (7) cochlear implants or implantable hearing devices;
 - (8) central auditory processing;
 - (9) assistive listening devices, including FM Systems and ancillary wireless devices;
 - (10) techniques for development of speech and language in children with hearing loss, or augmentative and alternative communication strategies for children or adults with hearing loss;
 - (11) cerumen management, dizziness, or tinnitus as it pertains to persons with hearing loss;
 - (12) hearing impaired consumers' views of the hearing health care industry and consumer complaints;
 - (13) infection control issues for the hearing health care profession;
 - (14) professional conduct and regulatory issues pertaining to the fitting and selling of hearing aids; and
 - (15) hearing aid business practices, such as hearing aid office management, sales contracts, and hearing aid marketing or industry trends.
